

CLAVERDON REGISTRATION & MEMBERSHIP SUBS 2026/27

For Brand New Players/Parents

Welcome to Claverdon Rugby Club! It's great to see many new faces interested in coming along for the new season. You can now register and pay membership for your kids if they are ready for you to! You have a bit of time still to decide but **all players must be RFU registered within 45 days of their season starting** so the club stays in line with the game regulations.

Our Subs for this season are as follows. **Membership is £110 (Early Bird is £100 if paid before the 1st October) for the entire season** for a first child, covering all playing and training days and free hotdog at Claverdon! For new players joining later in the year, we will discuss reducing the cost to reflect their lesser involvement during the season. The **Sibling Membership is £65**. We hope this is helpful for families with more than one child at the club. We still do want to support any families who may struggle financially, so please don't ever hesitate to have a confidential chat with your Team Manager so we can help out.

Please read and follow the step-by-step instructions below on using the registration and membership tools in the RFU Game Management System (GMS).

For new registrations and memberships (players and parents who have not registered at any club before) click this link <https://gms.rfu.com/GMS/Account/Login> then follow the below:

1) Create a Profile/Account for the Parent

This will be the case especially for the U6 and 7s. The parent must set up their profile first and then add their child(ren), or this will lead to problems with renewals later. Any parent with any link to rugby will be in the system already so if this might be you, input your e-mail first and try Forgot Password to check. The guide for Creating a New Account is here –

<https://help.rfu.com/support/solutions/articles/103000063984-how-do-i-create-a-gms-account-#:~:text=From%20the%20GMS%20homepage%2C%20click,%2C%20and%20click%20'next'>.

Please follow this, it's pretty straight-forward if you do!

2) Register your child from your Parent Profile:

Once you have set up your own profile in 1) above, you can add your child(ren). Again, please follow the guide! Most of the info will be pre-populated for you. Once added/saved to the system, then **Register** them by clicking their name and registering them to Claverdon.

The Guide for New Age Grade Player Registrations is here –

<https://help.rfu.com/support/solutions/articles/103000064034-how-to-register-age-grade-players-for-a-parent-guardian>

There's also this helpful video showing how the process works on a mobile –

<https://youtu.be/gyK-EwX7jtU?si=H5SQ92ryubxLGgoy>

3) Adding a New Sibling (to your existing Profile, if you need to):

If you are adding a sibling, simply click the + Add Person button in your Family tabs area.

4) Membership Payments:

Once Player Registration is complete, **click back to your child's Profile** and **click Buy Membership**. Again, please be sure to click their link first, not yours or you may appear on our Team list for a Mini/Junior squad!

The payment process is very similar to other online payments – you will see the MJ Player and MJ Player (Sibling) payment available and can **pay through your Basket and Checkout**. For additional children/players, select them and repeat 4.

You will receive GMS e-mail confirmations. If you have problems, please look at the RFU Community Rugby Help Portal at <https://help.rfu.com/>. Any further issues, please get in touch.

Many thanks for your support and we look forward to seeing you and your children enjoy rugby at Claverdon this season,

Mark Saltmarsh
M&J Chair
