

CLAVERDON REGISTRATION & MEMBERSHIP SUBS 2026/27

For Renewing Players/Parents

Welcome Back to the club! I hope you are excited about the new season and our club as it continues to grow at all levels! It's that time again to register and pay membership for your kids! **All players must be RFU registered** so the club stays in line with the game regulations.

Our Subs have increased a small amount this season to help cover our increased costs of week-to-week rugby, catering, pitch maintenance and running the club. A bigger club does increase the costs, but we have managed to limited the increase.

Membership is £110 (Early Bird is £100 if paid before the 1st October) for the entire season for a first child, covering all playing and training days and free hotdog at Claverdon! The **Sibling Membership is £65**. We hope this is helpful for families with more than one child at the club. We still do want to support any families who may struggle financially, so please don't ever hesitate to have a confidential chat with your Team Manager so we can help out.

The easiest way to renew your registration (many have already) is click the link in the e-mail you received from the RFU in the summer, check details and click Save, then go straight to 4) below. Alternatively, please read and follow the step-by-step instructions below on using the registration and membership tools in the RFU Game Management System (GMS). It will ensure you end up registering and paying for your kids to play, not yourself!

1) Login:

Please login at <https://gms.rfu.com> by entering your e-mail and password or using the Forgot Password button.

2) Renew Registration (for those who registered last season):

Once logged-in please **click on your child's name** tab (if on a mobile, click your name next to the red circle to expand the list). Under **My Organisations** you should see Claverdon RFC, click **Register to Play**. Please check your child's details and consents, then **click Save**. This takes 20 seconds per player and there is a **detailed** guide and quick video should you need help at <https://help.rfu.com/support/solutions/articles/103000064058-renew-age-grade-child-registration-process> and https://youtu.be/CQEoCy8DnSc?si=leEyPE4lbksDld_q

3) Adding a New Sibling (to your existing Profile, if you need to):

If you are adding a sibling who has joined this season, simply click the + Add Person button in your Family tabs area. Most of the info will be pre-populated for you. Once added/saved to the system, then **Register** them by clicking their name and registering them to Claverdon. Again there is a guide to help at <https://help.rfu.com/support/solutions/articles/103000064034-new-age-grade-player-registration-for-a-parent-guardian>.

4) Membership Payments:

Once Registration is complete, **click to your child's Profile** and **click Buy Membership**. Again, please be sure to click their link first, not yours or you may appear on our Team list for a Mini/Junior squad! The payment process is very similar to other online payments – you will see the MJ Player and MJ Player (Sibling) payment available and can **pay through your Basket and Checkout**. For additional children/players, select them and repeat 4.

You will receive GMS e-mail confirmations. If you have problems, please look at the Community Rugby Help Portal at <https://help.rfu.com/>. Any further issues, please get in touch.

Many thanks for your support and we look forward to seeing you and your children continuing to enjoy rugby at Claverdon this season,

Mark Saltmarsh
Mini & Junior Chair
